### Greetings from the Principal's Office

Thank you to Teachers and Students for making the first five weeks great. Students remember to keep working hard to achieve great success. Success doesn't fall into your lap; you have to earn it through hard work. Remember that one way to earn success is to complete your homework on time. Good luck to all of our Eagle Athletes this year.

#### Upcoming Events:

September 18<sup>th</sup>: FB vs. Giltner 7PM  
September 21<sup>st</sup>: JVFB vs. Arapahoe 5PM

October 9<sup>th</sup>: FB vs. Anselmo-Merna (Homecoming) 7PM [Dance to follow the game till 12AM]  
October 10<sup>th</sup>: Ogallala Marching Festival

**High School Cube:** Once again this year you can catch all Overton Home events on High School Cube. Many of the schools we play also utilize this service so you can watch many away games also. You can access the link via the school home page or by simply googling high school cube and then searching for Overton Eagles on the site. Hopefully this will help us reach more of Eagle Nation throughout the year.

**New Website:** Be sure to check out our new school website [www.overtoneagles.org](http://www.overtoneagles.org)

**School Happenings:** I want to thank families for staying current with your child(s) lunch balance. This is necessary to help our lunch program remain financially stable. Thank you for all your support in the education of your child.

Educationally yours,

A handwritten signature in black ink, appearing to read "Brian Fleischman".

Mr. Brian Fleischman, Principal  
308-987-2424 x206  
[brian.fleischman@overtoneagles.org](mailto:brian.fleischman@overtoneagles.org)

We welcome Amanda Kidder to our Teaching Staff:

I am thrilled to be able to teach my favorite subject and pastime, music, to the students of Overton Public School. After sixteen years teaching I still come to work excited to see where the students will take me and where I can potentially take them. I have taught in a variety of different size schools as well as a variety of ages and hope to use those experiences to instill a love and respect for an art form that was instilled in me first from my mother and the many great teachers I learned from.

My family and I live in Bertrand where my husband Shaun, one of the best educators and child advocates I know, is principal. I am happiest when I am home with the best three little kids I know: Aidan, my oldest at 10, who thinks snakes and anything creepy crawly are the most interesting things on planet earth; Aislin, the middle child, who has just figured out that she wants to look as cute as possible even though she is only 8; and the most sports addicted 6 year old I know, Eli, who makes me laugh out loud everyday. My family and passion for my career have shaped me into the person I am today and I'm grateful for this opportunity to grow even more here in Overton.

### Annual Alumni Volleyball Tournament

The Overton volleyball team will be hosting our annual FKC alumni tournament on Saturday, October 17<sup>th</sup> at 9:00AM. If teams are interested in playing then please contact Hayley Ryan at [hayley.ryan@overtoneagles.org](mailto:hayley.ryan@overtoneagles.org) no later than Wednesday October 7<sup>th</sup>. The registration fee is \$60 per team. Teams must be paid in full in order to play. There will be a limited number of teams so please get registrations in early.

**Overton Public School has a new web site:**

**[www.overtoneagles.org](http://www.overtoneagles.org) Be sure to check it out!**

---

## Character Clip from the Counselor

*Children grow strong when they receive unconditional love, ongoing support, and positive recognition. Children also become confident as they realize that they have the ability (and power) to make good choices and solve problems independently. As we teach them about following rules (expectations), getting along with others, problem solving, making good choices, and making friends, we are building confidence and providing a safe caring environment for them to be in everyday.*

*Ms. Stevens*

### *SOAR CLUB*

SOAR: Service, Outstanding Achievement, & Respect

CLUB: Character, Leadership, & Uplifting Bonds (friendships & relationships).

While I have been visiting classrooms we have talked about:

Expectations: Rules and why teachers and parents have them.

Outlook and Vision: Looking for the good in others and spreading good news, joy and happiness by giving compliments to peers! What you see is what you get, if you are looking for it, you will find it! Look for something positive, then tell the person that you noticed them.

Tattling vs. Reporting: Tattling is typically done to get someone else in trouble. Reporting is done to keep others safe. Most problems that occur at school are what I talk to students about is being "kid size" problems. Students should try to solve "kid size" problems on their own first. If that doesn't work, then report to an adult or ask for other possible solutions.

Teasing vs. Taunting. The difference I teach students between teasing and taunting is that teasing is done between people who have a good relationship, swap roles, and both people think it is fun. Taunting is based on the intent to harm, an imbalance of power, and involves humiliating, cruel, demeaning, comments disguised as jokes. Laughter is directed at the target not with the target. Taunting is defined when it continues, especially when the target becomes distressed or objects to the taunt.

Bullying: Bullying is not a fight or disagreement.  
Bullying is characterized by the following three criteria:

- A) It is aggressive behavior or intentional harm.
- B) It is carried out repeatedly and over time.
- C) It occurs with-in an imbalance of power.

We do want to teach students to try to problem solve on their own first, through talking and listening, and/or a firm request to please stop. However, equally stated, we want them to know that if they need to make a report after trying to solve a problem, to please visit with a teacher (preferably the teacher where the event is occurring), a teacher they feel comfortable with, the principal, or me. I know we don't know all that goes on in a day, so I encourage a balance of problem solving, self-check, and reporting.

Students become more confident when they know the skills to be assertive and have success solving their own problems.

## Senior "To Do" List

to complete during September and October.

At the Senior Parent night in September, we discussed many of these things. I know I gave you a lot of information, so this "To Do" list may be helpful to keep you on track. These are the things you need to do first. Most major (state and national) scholarship information becomes available the first part of October and will be due the middle to end of November. Local scholarships will be available to begin applying for in February. To be prepared to apply for scholarships, these are the things you can do now. You can always begin looking at scholarships on the college websites, and I will post scholarships as they come available. Selecting a college and applying will be the first steps, and help you focus on the scholarships you may want to apply for at your selected college.

Ms. Stevens

### September and October

#### ACT Test

Take the ACT test. You must take the test by December. Have your scores sent directly to the college(s) you are considering attending. College codes can be found on the ACT website, or I can help you find them. I have the registration forms available, or you can register at <http://www.actstudent.org>

#### EducationQuest.org

Register with EducationQuest! They will provide you with information and help you prepare for scholarships, applications to college, and financial aid. The Activities Resume, College Profile, and ScholarshipQuest will be just a few of the useful resources. This is also where you will find out more information about College Fairs you can attend.

#### APPLY

Apply to the top three colleges you are considering attending. Go to the Admissions page of the college of your choice, you will find all of the information you need.

If there are scholarships from the school that you are eligible for, most schools will send you scholarship information, so that you can complete the scholarship if you choose to. Scholarship information is also available on almost all college

websites, and is often on the Financial Aid or Admissions page, which you can search, review, and apply for as you find scholarships that you qualify for.

If you do not meet the standard admissions requirements listed, (typically ACT Score or Class Rank), many schools offer an individual review. This is where they will look at your personal circumstance and academic history, then make a decision as to if you can be admitted under special circumstances.

The University of Nebraska Colleges have a \$45 application fee, that is good for ALL University of Nebraska schools, you only have to pay one time. There is a fee waiver available on the individual college admissions websites for families who meet the qualifying guidelines (which are typically: free and reduced lunch, families receiving public assistance, or a child who is a ward of the state or in foster care).

#### COLLEGE FAIRS & VISITS

College Fairs are a great way to learn more about many colleges. You also have the opportunity to have your questions answered directly by a representative from that college. Please plan to attend one of the local college fairs:

##### Grand Island Area College Fair

October 11, 2015

1:00 pm – 3:00 pm Central Time

Pinnacle Bank Expo Center

##### UNK - Educational Planning Meeting (College Fair)

October 12, 2015

1:00 pm - 3:00 pm Central Time

#### LETTERS of RECOMMENDATION:

Begin asking for letters of recommendation. Make sure you are asking a person who can write you a positive letter, and make sure to give them plenty of time to write you a quality letter.

#### SCHOLARSHIPS:

Always check on the website of the college you plan to attend for scholarship information. Scholarship information is often on the Financial Aid or Admissions page. Review those, then you can apply for scholarships that you qualify for.

Search for scholarships on the EducationQuest site under ScholarshipQuest. Many of the scholarships you will qualify for will be listed there.

I will provide Scholarship information as I receive it. Please use the links I have provide on my website as well as looking on the website of the college you plan to attend.

#### FINANCIAL AID:

The next most important, (maybe even the most important) step is planning and preparing to have your income taxes completed early, as soon as possible in January. Your child's financial aid and some scholarships will be determined based on completion of the FAFSA (Free Application for Federal Student Aid) form which requires a completed income tax return.

EducationQuest will be offering webinars later in the year where families will be able to log in from home to participate in a presentation and call to learn about financial aid and an overview of the FAFSA. The dates are Tuesday December 8<sup>th</sup>, Wednesday December 16<sup>th</sup>, Monday January 11<sup>th</sup> and Wednesday January 13<sup>th</sup>. The start times will be 7:00 pm CST for all webinars. More details will be provided through EducationQuest.

#### MY WEBSITE:

You will find more information about the ACT test, college planning, scholarships and financial aid on my website. You can use the link below, or go to the Overton Public School Homepage, click on my name, then a link for my website will appear.

<http://www.oncoursystems.com/school/webpage.aspx?id=12785995>

## National Honor Society Blood Drive

Overton High School and the American Red Cross will host a blood drive on October 22<sup>nd</sup>. Our school has the opportunity to participate in a scholarship program offered by the American Red Cross for students by participating in the blood drive program. Every pint of blood collected will help contribute to a scholarship fund for our students.

We are inviting you to donate blood on Tuesday, October 22<sup>nd</sup> between noon and 6:00 p.m. You can call to make appointments or stop by the day of the event to donate. By donating blood you will not only make a difference in the lives of patients in our area and across the nation, you will also help set a positive example and help support scholarship opportunities for our students. You can make a difference!

## What's in a Healthy Breakfast?

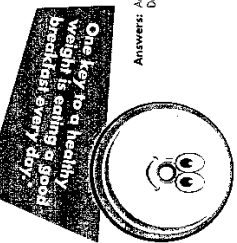

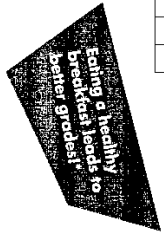

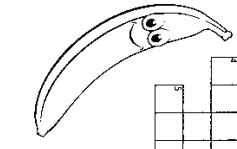

- Every day, choose one item from each of the following four food groups:
- **Fruits and Vegetables.** Fresh fruits or 100 percent juice without added sugar.
  - **Grains.** Whole grain pancakes, bagels, hot or cold whole grain cereals, French toast.
  - **Milk.** Skim or low-fat milk.
  - **Protein.** Eggs, peanut butter, low-fat yogurt, low-fat cheese, or lean slices of meat.

## Good Morning Crossword Puzzle

- Across**
- Silver dollar and whole grain are types of this breakfast food
  - A round fruit whose color is the same as its name
  - Breakfast food with lots of little squares in it
- Down**
- A drink rich in calcium and Vitamin D
  - Yellow fruit rich in potassium, loved by monkeys
