Greetings from the Principal's Office

January, as with August & September, is a very important month for our students. The first couple weeks after the break are some of the most crucial. It can be difficult for students to get back into the swing of classes, but getting themselves going sooner rather than later is critical. It takes a great deal more work to raise a grade than it does to lower one. Starting strong will help ensure a positive second semester. I look forward to the remaining five months of school this year.

Upcoming Events:

January 18th: No School – Teacher In-Service
January 19th: GBBB @ Hi-Line (Eustis) 3:30/4:30/6:00/7:30PM
January 22nd: WR @ South Loup 11AM
January 22nd: GBBB @ Ansley-Litchfield (Ansley) 4:30/6:00/7:30PM
January 23rd: Overton JHBB Tournament 9AM
January 26th: GBBB vs. Shelton 4:30/6:00/7:30PM
January 27th: 2:27 Dismissal – JHBB vs. Kearney Catholic 3/4PM
January 29th: WR @ Central Valley (Greeley) 1PM
January 29th: GBBB vs. Elm Creek 4:30/6:00/7:30PM
January 30th: 1st Round of FKC BB Tournament
February 1st: FKC GBB @ Top 2 Seeds
February 2nd: FKC WR @ Wilcox-Hildreth 10AM
February 2nd: FKC BBB @ Top 2 Seeds
February 3rd: JHBB @ Axtell 3/4PM
February 4th: FKC GBB Semi-Finals @ Viaero Event Center
February 5th: WR Sub-Districts @ Central Valley (Greeley)
February 5th: FKC BBB Semi-Finals @ Viaero Event Center
February 6th: ACT Test Date @ Overton
February 6th: FKC GBBB Consolation & Finals @ Viaero Event Center
February 9th: GBBB @ Wilcox-Hildreth 4:30/6:00/7:30PM
February 10th: 2:27 Dismissal – JHBB vs. SEM 3/4PM
February 11th: 11:30 Dismissal (P/T Conferences 1:30-7:30PM)
February 12th: No School – GBBB @ SEM 4:30/6:00/7:30PM
February 13th: WR District Finals @ Central Valley (Greeley)

Honor Roll: Congratulations to all of the students who made the Honor Roll and Honorable Mention for 1st Semester. This is great honor and proves that your hard work has paid off. Keep up the good work. A quick reminder that report cards are not mailed home for grades 5-12. Grades are available on PowerSchool or you can obtain a printed copy by contacting the school.

Illness: Illness and potential illness is something we have dealt with all school year. Thank you for contacting the school when your child is sick. We are happy to gather homework for students also when this is requested. Students must be fever free for 48 hours, without medicine, before they can come back to school. Remember to wash your hands often to help prevent the spread of germs. Thank you for all your efforts to keep our students learning within our building.

Thank you for your support of the school. If you have any further questions or comments, please feel free to contact me or stop by and visit.

Educationally yours,

A handwritten signature in black ink, appearing to read 'Brian Fleischman', with a stylized flourish at the end.

Mr. Brian Fleischman, Principal

CONGRATULATIONS COACH HOYT!!

Nebraska Scholastic Wrestling Coaches Association Hall of Fame Class of 2021

Coach

- Gary Davis, Neligh Oakdale

- Todd Hoyt, Overton, Anselmo Merna,
Competitor

- Aaron Denson, Millard South

- Joe Ellenberger, Millard South

- Mike Leaman, GI Northwest

- Joe Mejia, Gering

- Judd Norman, Chadron

Contributor

- Terry Pfeiffer, Amherst

Note: The 2021 HOF Class will be honored along with the 2020 HOF Class at the 2021 NSWCA Hall of Fame Banquet. The banquet will be held Friday, June 11, 2021 at Boarders Inn & Suites in Grand Island, beginning at 5:00 PM.

February Eagle Spotlight

Congratulations to all!

What is the Eagle Spotlight?

The following list of students were nominated by their teachers to be recognized for different character traits that demonstrate the mission of Overton. Our school mission is being **Engaged, Empowered, and Enlightened**.

Elementary

Kindergarten: *Carter Robinson* for treating his classmates and teachers with respect. He is always offering to help in the classroom and he has great manners.

4th Grade: *Cort Lawton* is always willing to give his classmates a helping hand, whether it is with assignments or anything else needed. He also has a great sense of humor. Cort was observed going out of his way to help another who didn't understand how to complete a task on the Oregon Trail. His kindness makes him a true friend to all of his classmates.

Middle School

5th Grade: *Dylan Luther*- Great effort, responsible, great teammate.

6th Grade: *Quinton Anderson*- Great focus/effort to start 2nd semester. Asking great questions.

Mason Dutro made it his mission the first week back to involve others in his class. While working on activities, he went over to students working alone and asked them to join a group or sometimes just worked beside them, so they weren't working alone.

7th Grade: *Eli Luther* for being doing anything asked of him for basketball student managing.

8th Grade: *Parker Walahoski*- Focused, hard worker

High School

9th Grade: *Lane Shubert*- Great focus, hard worker

Camrin Palmer- He is on the honor roll and has improved leaps and bounds! He is very deserving!

10th Grade: *Alexz Rodriguez* is a finalist for the FCCLA Community Leader State Peer Officer Team.

11th Grade: *Ash Lopez* in Lifetime Sports. He set goals at the end of last year to get in better physical shape. Since then he has joined 1st period weights. Also, he works hard every day in Lifetime Sports as we complete our "21 Day Fix" workouts. Ash is always positive, never complains, great to have in class.

Abby Lawton for her amazing FCCLA project that provided Thanksgiving Meals to 50 people in Overton.

Alisha Jarmin- she is always willing to try new things in Foods and she is such a hard worker!

Staff

Mr. Christensen does a ton of behind the scene work to keep our school up and running when it comes to technology. In today's world his role is crucial for all of us to be able to do our jobs. Thank you Mr. C!

Oregon or Bust

Since returning from break, the fourth graders have been traveling on the Oregon Trail. As they traveled, they have experienced the effects of walking up and down hills all day, wagons tipping over, leaving possessions on the trail, diseases and hardships, eating skeeter cakes, and making butter. The culminating activity is to ford their homemade wagons across a river. I can happily report that they all were successful!

Design Class Color Experiments

For the past two weeks, Mrs. Ehlers Design Class has been studying color as well as how fabrics are dyed and printing on textiles. The class then got to try their hand at the dying process when they tie dyed t-shirts. Students were able to experiment with blending colors to create new ones and learn how the dying process works. The class also learned that while their t-shirts were 100% cotton and accepted the dye well, the thread used to sew the shirts must contain nylon or polyester because the thread remained white.

GIVE BIG EVENT SUPPORTS OVERTON PUBLIC SCHOOL

There is no motivation for change greater than a community discovering what it cares about. On Thursday, November 12th, Overton celebrated the community's generous spirit during its very first annual GIVE BIG OVERTON campaign. Together, we are making change happen! GIVE BIG OVERTON is a partnering campaign to the Lexington Community Foundation's Give Big Lexington. We had a remarkably successful first year! During GIVE BIG OVERTON 2020, eight organizations and projects received \$19,295 in donations. Support for GIVE BIG OVERTON was wide-spread, as we received donations from 13 towns in Nebraska and 5 different states to benefit the Overton causes.

Overton Public School teachers, staff, and students joined in on the event. FCCLA and FFA students volunteered to serve grab and go meals during the event at the Overton Family Center. The students also designed activity packets for young children. Teachers participated by designing displays to share information about their causes.

On December 17th, Overton Area Community Foundation members presented Overton Public Schools with a check for \$2,640. The donations will go to support the local school causes:

- Books for Preschoolers
- Circle of Friends
- Overton Second Step
- Overton Summer Reading
- School Playground Activities

On behalf of the Overton Area Community Foundation, we extend our heartfelt thanks and appreciation for the participation and generosity. By doing more together through GIVE BIG OVERTON, our community will grow stronger, and the causes supported will thrive. Thank you!

Making **CHANGE** Happen.

Overton Area Community Fund is an affiliate fund of the Nebraska Community Foundation. For more information or to make a donation, contact:

Spanish 1, 2 and 3 – Celebrating

After the uncertainty and disappointments of spring 2020 it has been so nice to be back in our routines. Students in Spanish classes are working hard and making good progress, and it is important to take time to celebrate their achievements. One of the traditions we were able to revisit was our quesadilla party with a movie (dubbed in Spanish of course!) to conclude our semester. I appreciate how the students have embraced the changes we have made in order to advance during the pandemic.

We have already celebrated a couple of birthdays in Spanish 1. Here Monica and Kaedan take turns wearing “el sombrero de honor” while we sing Las Mañanitas (a traditional Spanish birthday song) to them.

The Spanish 1 class has been working intently on designing their ideal rooms for a presentation to their classmates. Most of the projects will be presented in a digital format, but paper posters are valid as well. You should see some of those closets! This is great practice in public speaking as well as Spanish.

Spanish 2 has been learning more adjectives and their proper application. Now we will put it into practice by preparing a presentation about family (one’s actual family or an imaginary one). The presentation may be digital or on a poster. This is a great way to practice presenting material to an audience and can be helpful in getting students over the “butterflies” when using Spanish.

Spanish 3 celebrated Rosalinda's "cumpleaños" recently. We enjoyed making Chilean empanadas during the first semester since they were mentioned in our class reading. We have our sights set on churros con chocolate for our next cooking adventure. We continue to practice and add skills through reading a simple novel, watching a continuing video series, conversing, and writing. A Spanish 3 spring field trip is another tradition we hope to reinstate. It provides great way to see Spanish skills in the workplace.

I am grateful for such respectful, hardworking, and fun students and am looking forward to a great spring semester.

"Sra." Roos

8-12 MATH

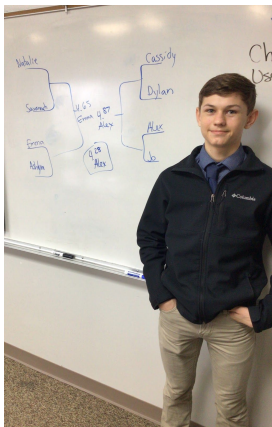

As the second semester has gotten underway, students have been at work learning new concepts and reviewing older ones. We have many concepts yet to explore and learn throughout the remainder of the school year. Seniors in calculus will learn the ins-and-outs of derivatives and integrals. Juniors will be learning trigonometry in great depth as well as preparing for and taking the ACT test. Sophomores will continue learning higher-level concepts within algebra while the 8th-grade algebra students will continue to learn the basics of algebra. Freshmen geometry students will focus on learning and applying all the properties of triangles, quadrilaterals, and other polygons.

With the winter math MAP assessments just getting underway this week, students are given the opportunity to "show what they know". The MAP assessments provide a lot of useful information that is analyzed to determine the strengths and weaknesses of each student as well as the strengths and weaknesses of each class. This analysis is beneficial in determining how to best focus instruction to most help students improve their learning of mathematics. Even with the main objective of math classes being to learn math skills and math concepts, we are also working to develop critical thinking skills, responsibility, and perseverance within that process. We will continue to improve our ability in all of these areas and work to make the second semester a very successful one.

Ag Ed Update

Hello from Mrs. Loudon! We are off to a great start in the agricultural education program. Here are some highlights:

Biotech - We are writing a paper for the Nebraska Youth Institute - World Food Prize. This research paper on a country of our choice will highlight the challenges faced by people in that country of accessing safe, quality, and affordable food. We will then present our own ideas on how to best solve that problem. After we finish this paper, we will earn a \$500 scholarship to the College of Ag at UNL and will be able to present our findings in front of our peers for a chance to win a trip to the Global Youth Institute!

Intro to Ag - This month we are working on a new project: floriculture! We are learning about the floral industry and the art of flower arranging. We will be creating bud vases just in time for Valentine's Day! We finished our unit on FFA and even learned how to tie a tie! Alex was our class champion in terms of speed.

Wildlife - We are using digital mapping tools to follow the flow of energy and matter in food chains and webs. We are hoping to also learn more about the crane migration and do some population counts with bald eagles along the Platte River.

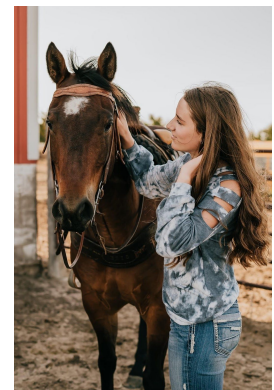

Middle School - We are working on Soybeans and learning about their role in both animal and human food. We are also starting FFA Fridays so that our students are all eligible to earn their FFA Discovery Degree!

FFA Members of the Month: January is Violet Nelms and February is JoLee Ryan

Violet, Chapter Reporter (left): What I enjoy about FFA is that you don't have to be from an agricultural background to join. I also enjoy how much I learn about agriculture from being in this chapter

JoLee (right): I love participating in FFA because of the new connections I'll make with other members. When going to the contests, I develop leadership and public speaking skills. Some of my SAE projects consist of doing chores on my family ranch and babysitting.

Library FAQ's

This might be the answer you've been waiting for. Here are some commonly asked questions by students and parents about library policies and Accelerated Reader (AR) at Overton Public School.

Can students take Accelerated Reader (AR) tests over personal books?

- Yes, as long as there is a test over the book, it does NOT have to come from the school library.

How do I know if there is a test? How can I check the level of a book that is my own?

- Go to ARbookfinder.com. You can find book levels, possible points, and quiz numbers. If you can't find it, there isn't a test on the book. There is a place to make requests, so if your book is new, request a test. The more requests they get, the more likely they are to write a test.

What does a book level mean?

- Students in grades 1-8 take the STAR reading test three times per year. This test gives us a range where the student will be most successful. This reading range is a guideline and each student is different. Teachers and library staff encourage students to read within their level. Once they are successful, then books out-of-level can be considered. Books under the reading range/level are not recommended for AR tests because they aren't always challenging. As students get older, reading level is not as much of a concern as finding interesting materials.
- Books in the library are color-coded by level to help students identify levels easily without having to pull the book off the shelf.
- Books in the library are also shelved by interest level. Books in the high school section are not appropriate for young readers because of the content, not the book level. Students often see books in their level, but are not allowed to check them out because of interest/age appropriateness.

- Most books for middle/high school students are written at a 4.5-6.0 level. So students with higher levels are not going to find a lot of books over a 6.5. Branching out and reading different types of books will be a way to challenge themselves, too.

How do I know how my student is doing on AR tests?

- Previously, you had to rely on reports that came home or ask their teacher. Now, we can sign you up to receive emails when your student takes a test. If you are interested in this feature, please contact your child's teacher or Mrs. Lassen to set up email notifications.

Can my student retake an AR test?

- No, once they have taken a test on a book, they can no longer retake it here at Overton. Their account follows them through high school. The exception is first grade, when they first begin taking tests, but this is only for the first few months.

How many books can students check out? Why can't my student get another book?

- Students are allowed to check out 2 library books at time for a 3-week period. Once a book is overdue, they cannot check out a new book until they have returned, renewed, or paid for the overdue/missing book. We do not charge fines for overdue books, but they are unable to get new books. Students in grades 7-12 receive overdue notices by email at least once per month. Overdue lists are given to teachers monthly in grades K-6 and once a book is several weeks overdue, or a student believes it is missing, we send notes home.

From the Counselor

February is Teen Dating Violence Awareness Month. Here are some statistics about Teen Dating Violence. ----->

Seniors and Senior Parents:

- *Schedule an appointment with EducationQuest to complete the FAFSA!*
- *Apply to colleges! ASAP*
- *Apply for Scholarships!*
- *Still waiting on baby, elementary, senior pictures from some seniors! Need those soon please!*

Providing Local Scholarships

Local businesses or groups wanting to offer scholarships to our Overton High School Seniors, please contact me so that I can share scholarship information with students in the next month. Thank for supporting our students in their future endeavors!
Calli McCoy, School Counselor 308-987-2424 x204 Calli.mccoy@overtoneagles.org

National Honor Society Bloodmobile

Please consider joining us! Our next community bloodmobile will be on **Thursday February 11th** from noon to 6:00 p.m. We will be calling to make appointments that Monday before. You may also sign up for an appointment online at www.redcrossblood.org. Each pint of blood has the potential to help three individual patients. The National Honor Society is hoping you will consider participating in this life-saving event—please help us meet our goal!!!!
If you would be willing to donate blood or volunteer an hour of your time on February 13th, please contact Aaron McCoy at the school, 308-987-2424 x303 or aaron.mccoy@overtoneagles.org

Overton Athletic Boosters

Here is a little information on the Overton Athletic Boosters.

ALL parents/guardians that have a student in 9-12 in football, volleyball, cross country, basketball, wrestling, track, golf, cheer and dance are members. Junior High parents are more than welcome to help.

Some ways we have raised funds is annual donation drive, concession stands, kitchen at games, split the pots, etc... We appreciate all the parents and students who have stepped up to help. Please do your best to try to help in some way when needed.

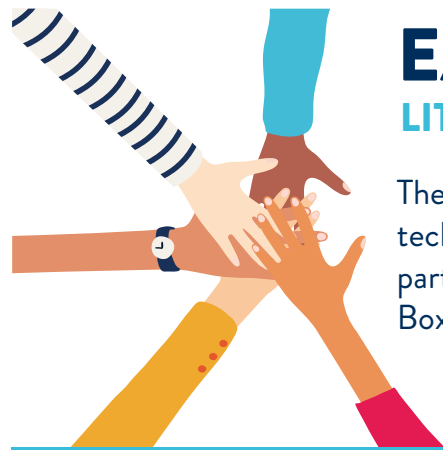

Over the years, the boosters have helped with but not limited to:

- *purchase iron man t-shirts
- * iron-man posters
- *booster activity buttons
- * homecoming activities
- *all-star fees
- *jerseys and uniforms
- *calendars
- * performance packets,
- *speed and agility camp
- * lettermen awards and plaques
- *sponsor the athletic banquet and guest speaker
- *The Hudl software continues to be a wonderful tool for both coaches and athletes and uses technology to enhance the competitiveness of our athletic program.
- *YOUTH Sunday basketball leagues
- *provided travel snacks/drinks to help high school athletes stay energized

We would love to see more parents at our meetings!

Next booster meeting is January 21, 2020.

If you have any questions you can talk with Gale Luther(President), Mandi Wallace (Vice President) or Mark Aten, Treasurer.

EARN CASH FOR YOUR SCHOOL

LITTLE BY LITTLE WE CAN MAKE A BIG DIFFERENCE.

The Box Tops mobile app uses state-of-the-art technology to scan your store receipt, find participating products and instantly add Box Tops to your school's earnings online.

LOOK
FOR THE
LABEL:

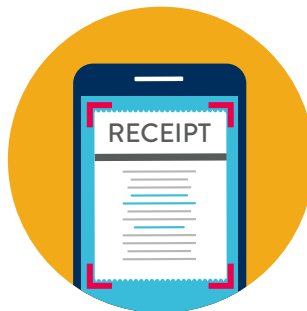

HERE'S HOW IT WORKS:

BUY BOX TOPS PRODUCTS

You can find Box Tops on hundreds of products throughout the store.

SCAN YOUR RECEIPT

Use the app to snap a photo of your receipt within 14 days of purchase.

EARN CASH FOR YOUR SCHOOL

Box Tops earnings are identified and automatically updated online.

SHOPPING FOR GROCERIES ONLINE?

You can still earn Box Tops for your school with your e-receipt!

See how at [BTFE.com/emailgroceryreceipts](https://www.btfec.com/emailgroceryreceipts)

BOX TOPS CLIPS

You may occasionally find an old Box Tops clip on packages in stores. **You can still clip them and send them to school**, as long as each clip has a valid expiration date.

SEE PRODUCTS & LEARN MORE ABOUT
