Merry Christmas and Happy New Year from the Principal's Office

I cannot believe that we are half way through December and the end of the first semester is only a few days away. It literally feels like we just started this school year and here we are ready to close the first semester. Good luck and continued success to all of our winter sports teams and athletes. Good luck to all our students as they tackle their semester tests. You will do awesome.

Weather Reminder:

Thank you to all parents for ensuring your child is dress appropriately for the weather as winter has been here for some time now. As a reminder, we try to have outside recess as much as possible. Heavy coats, hats, and gloves are essential for your child each day. Thank you again for your help with this.

Report Cards: Just a reminder that report cards are not mailed home for grades 5-12. Student grades are available through PowerSchool with your parent login. If you would like a printed copy, please call or email me at school and I will print one to send home with your child.

Attendance:

Student attendance at school is essential for their success. As we move into the flu season, please help your child to remain healthy by encouraging healthy habits such as hand washing and eating healthy. Our custodial staff does a great job of cleaning and disinfecting each night to help during this time of year. Remember to contact the school if your child is ill and will not be in attendance at school.

Athletic Fan Reminder:

Thank you for your support of our Eagle athletes. Remember sportsmanship is an expectation and each of us has a part to play in this role. Though you may disagree with an officials call, there is no reason to berate the officials for what you perceive being an error in judgment. Officials are in short supply and this situation is not improving anytime soon. We can all do our part to ensure officials want to come back to Overton to officiate our contests. Remember if you feel you can do a better job, the officials test and certification can be found on the NSAA website. Again we can all do our part to make sports better.

I hope that everyone has a good break and returns to school refreshed and ready for another great Semester. Thank you for your support of the school, teachers, coaches, and students. If you have any further questions or comments, please feel free to contact me or stop by and visit.

Educationally yours,

Fans:

ENOUGH IS ENOUGH!

Bad behavior at high school athletic events has gotten OUT OF CONTROL. Are YOU part of the problem? Always be respectful, encouraging and positive. Let's come together to **#BenchBadBehavior** for good!

BenchBadBehavior.com

Overton Public Schools is proud to have outstanding athletic and activity programs for our students. We welcome and encourage your attendance and appreciate your support of these programs. To ensure that everyone attending has an enjoyable and safe experience we would like to pass on a few reminders for students and families attending these events. Athletics and activities are part of the educational experience and students are expected to follow school expectations for acceptable behaviors. When students are at any school activity, whether at their school, another school, or OHS venue, they must behave in a manner that represents their school and themselves well.

FAN EXPECTATIONS:

- Be respectful of game officials, players, coaches, opposing fans, and facilities.
- Remember that they represent not only their school, but their community and family as well.
- Be a role model of sportsmanship by supporting teams in every positive manner possible, including the content of cheers and signs.
- Children in 4th grade and under need to sit with their parent/ guardian.
- Students need to be accompanied by an adult in the commons.
- Running back and forth will not be tolerated. This is a safety issue for participants, officials, and fans. If your child is caught running around, they will be escorted back to you by one of the staff members. A second offense you will be asked to leave.

Overton Public School has the greatest fans, always showing unwavering support for our teams at every game and event. We appreciate your positive support of our student-athletes and coaches.

CHOIR NEWS

FKC Choir

On November 14th, every choir student in the conference came together and made a choir of around 100 singers in Elm Creek. The students got to spend the day working with Dr. Joel Johnston from Midland. We also got to put our new choir outfits on for the first time.

Upcoming Dates

December 18th: 7-12 Winter Concert
December 19th: K-6 Winter Concert
(with a Brisket Raffle)

CONGRATULATIONS

Congrats to Caleb Elfgren and Darci Liehs for being one of 200ish singers selected to participate in the Doane Vocal Festival, and to Darci Liehs, Caleb Elfgren, Jaycelea Shubert, and Jessie Altwine all of whom auditioned for and made UNK Honor Festival. At UNK, there are three choirs on the final concert. Overton will have representatives in all three choirs.

Congratulations to Shirley Ryan, a captain of the 1973 Ansley Warriors Class C State Championship, 19-0, Volleyball Team for being inducted into the Nebraska High School Hall of Fame on October 7, 2023! These “Golden Girls” were honored as it was their Golden Anniversary along with many other outstanding Nebraska high school sports coaches and student athletes for their highly recognized achievements. Nothing could have been more golden to Shirley than watching her granddaughters(JoLee & Daisy Ryan and Elle McCarter) a few short weeks later win their first State High School Volleyball Championship!!!

We finished the season at 4-5 losing to the eventual State Champs in Sandhills Thedford. We also had Alex Banzhaf, Tripp Davenport, Will Kulhanek, Hayden Muirhead and Brody Fleischman recognized as Omaha World Herald, All State Honorable Mentions. I'm proud of our season, the growth and the hard work put in!

The High School Cheer and Dance Teams spent two weeks teaching the Junior High girls a dance and two cheers. They all worked hard and it was a great performance.

Thanks to the teachers who let the cheer and dancers out of class to make this happen. We truly appreciate it.

One Act 2023 Season Highlights

Overton's One Act team competed with the play "Maniac Manor" by Don Lowry. Students exercised their creative muscles to portray unique characters and to create a set that was fitting for the strange cast of characters. The performance season included competitions at play production contests in Elm Creek and Holdrege as well as FKC (hosted by Overton at The Tassel), and District contest in Ogallala. The highlight of the season for the team was finishing 3rd at the FKC contest.

Congratulations to the following team members for receiving outstanding performance recognition at one or more contests.

Elm Creek Festival: Natalie Wood, Riley Brennan, Caleb Elfgren

Holdrege Festival: Natalie Wood, Riley Brennan, Chloe Svarvari, Jessie Altwine, Jordan Araujo

FKC Contest: Natalie Wood, Chloe Svarvari, Jaelynn Roberts, Kiley Lawton, Kyla Elfgren

District Contest: Natalie Wood, Jaelynn Roberts, Jessie Altwine, Braelynn Florell

A special thank you to the families and friends of our amazing cast and crew. We appreciate your encouragement and support, especially in driving your students to early rehearsals and helping them with their lines. Also, thank you to the administration for supporting the performing arts and the One Act team. Thank you to Mrs. Wyatt, Mrs. Brooks, Mr. Belle Isle, Mr. Matthews, Miss Bruntz and Mr. Neban - for sharing your students and helping with various parts of our production and to Amy for the support, keeping us safe, and constant encouragement.

2nd Grade S.T.E.M. Activities

The second graders are off to a great start! Something new for them this year is S.T.E.M. (Science, Technology, Engineering, Math) activities. They do one of these each month. Each S.T.E.M. activity has a goal they have to accomplish as a team. Their first one, "Chain Link," was a huge success! Working together as a team was the focus for this challenge. Team members were all assigned roles for the "link" and how well they carried out their role, determined the length of their chain. The longest chain was the winner! Their latest S.T.E.M. was an engineering task. Using only Play-Dough and Candy Corn, they had to design the tallest, freestanding tower they could, in a given amount of time. Again, they had roles on their team, and most figured out the importance of working together. Their designs were pretty impressive! They will be designing boats in the coming month. I love their excitement each month when I announce to them we will be having our next S.T.E.M. day!

Yearbooks have changed. A new company will be printing the annual book. Treering is a company that specializes in Yearbooks. The primary change is the new custom pages. Every student can add their own touch. The individual printing will include two pages that are custom for the student. These pages are great places to include family trips and personal memories. Students can add photos that highlight their experiences over the course of the year.

Custom pages could include a favorite family photo. They also could be a note from family written on a piece of paper and captured as a picture. Maybe you want your best friend or favorite sport moment in the yearbook. Custom pages are a way for every student to keep the most important memories. For our really active students, there is an option to purchase more but two pages are included in the price.

The process of ordering has also changed. Attached to the newsletter is a copy of the flyers ordered. These are also posted within the school. Parents will need to order online and pay for the books using the online page. This is the same website for customizing personal pages.

The yearbook is primarily run as a student publication. To make the book work, we are also looking for businesses that want to help with advertising to contact a member of the staff. They can help you design and place your advertisement. These funds are used to pay for the cameras that take all the great photos, a photo printer for in-house printing, and future improvements. The yearbook staff appreciates your support for this annual tradition.

BEEF

Nebraska Harvest of the Month highlights beef this month! There's a reason we're called the "Beef State" here in Nebraska--agriculture is Nebraska's top industry and cattle production represents the largest part of the industry. Help Nebraska live up to its beefy name... try the recipe at home!

SELECTION, STORAGE & COOKING:

- Store beef in refrigerator for up to 3-5 days before using/freezing.
- Washing meat before cooking is not recommended as it increases the likelihood of spreading bacteria.

NUTRITIONAL VALUE

Beef is an excellent source of protein, zinc, selenium, and vitamin B12, and a good source of iron, niacin, riboflavin, and vitamin B6.

SEASONAL AVAILABILITY:

SLOPPY JOES ON A ROLL

Serves: 6

Ingredients

- 1 lb ground beef
- 1 Tbsp distilled vinegar
- ½ cup brown lentils, uncooked
- ½ tsp mustard powder
- ¼ cup onions, raw, chopped
- ½ tsp pepper
- 2 tsp garlic, minced
- 2 oz mild green chili peppers, canned
- 2 Tbsp tomato paste
- 1 tsp brown sugar
- 2 Tbsp catsup
- 6 wheat rolls
- 1 cup + 2 Tbsp water drained

Directions

1. Brown ground beef. Drain.
2. Cook lentils in enough water to cover them. Simmer for about 20-30 minutes. Drain excess water. Puree lentils in a food processor.
3. Add onions and minced garlic to ground beef. Cook for 5 minutes. Stir in pureed lentils. Add tomato paste, catsup, water, vinegar, dry mustard, pepper, green chilies, and brown sugar. Mix well and simmer for 25-30 minutes. Heat to 155°F or higher.
4. Portion ⅓ cup per roll.

FUN WITH BEEF

GET TO KNOW A FEW BEEF AND DAIRY BREEDS

In Nebraska, agriculture is the state's top industry. Cattle production is the largest part of the industry. Cattle outnumber humans nearly 4 to 1 here!

We get meat from beef cows and milk products from dairy cows. Although females from all cattle breeds produce milk and meat, some cattle are better at giving milk, and some are better at providing meat.

Dairy cows usually have very large udders. For that reason their basic shapes are different from beef cows. The basic shape of a beef cow is a rectangle. The basic shape of a dairy cow is a trapezoid.

Dairy cattle must be milked every day, so they usually stay close to the dairy barn. Beef cattle do not have to stay so close to home and are sometimes moved around from pasture to pasture. Sometimes the fields are many miles away from the farm. For that reason the cattle you see in fields along the side of the road are more likely to be beef cattle.

Activity: Using the descriptions provided, draw a line to the correct breed on the right hand side. If you need help, the answers are below.

1. This beef breed has a reddish body and white face.

Guernsey

Jersey

2. This dairy breed has an orange body with white markings and white tail.

Charolais

3. This dairy breed is black and white and is one of the top producers of milk.

Brangus

4. This beef crossbreed is black or red with loose skin.
5. This beef breed is creamy white with a pink nose.

Hereford

Holstein

6. This dairy breed has a tan body, brown feet, and a white tipped tail.

Lost & Found (but still not claimed)

Parents as you come for programs or to pick up your child please go through our lost and found. It is the coat hooks located in the commons area. Any items that are not claimed by the 21st when school lets out will be donated over the break.

Thank you for all your help!

Donations

If you have elementary or preschool sizes pants to donate it would be very much appreciated. If your child has come home in clothes from the school please wash and return them. Thank you!
