Kindergarten Enrollment Requirements: Students must be 5 years of age by July 31 to be allowed to attend Kindergarten. If your child turns 5 between August 1st and October 15th, you may request your child be assessed on their readiness for Kindergarten work. There is paperwork that must be completed prior to this assessment. You will need to contact the school to receive and complete the Written Request for Consideration of Early Kindergarten Entrance. The testing will take place this summer on a date to be determined. All students will need a Kindergarten physical before beginning school in the fall. If your child was enrolled in our Pre-Kindergarten (4-year preschool) during the 21-22 school year, they do not need to complete further enrollment paperwork to attend Kindergarten. You will just need to bring their completed Kindergarten physical to the school. Students who were not enrolled in our Pre-Kindergarten class during the 21-22 school year will need to visit the school, after the school year has completed, to complete the enrollment paperwork prior to enrollment in the fall.

Thank you for your support of the school. If you have any further questions or comments, please feel free to contact me or stop by and visit.

Educationally yours,

SEVENTH GRADE ENGLISH

Seventh grade English students completed their *Tuck Everlasting* novel study by creating a variety of projects which included games, dioramas, videos, and diaries. They presented their projects in class and classmates were excited to see the creations and play the game. Completing these projects helped the students practice problem solving and critical thinking skills as well as reinforced the content learned throughout the unit.

FCCLA NEWS

OVERTON FCCLA ATTENDS PEER EDUCATION CONFERENCE

440 FCCLA members and advisers from across the state attended the FCCLA Peer Education Conference in Kearney at the Holiday Inn on Monday, February 28. "Small Changes, Big Impact" was the theme for the conference that was planned and led by members of the State Peer Officer Team.

During the opening session, members of the State Peer Officer Team were introduced and shared information about their National Programs. Awards for each team were also handed out. Overton FCCLA earned 2nd Place in the Community Leader Capture the Action Contest for Jada Araujo's hygiene project. The keynote speaker for the conference was Maile Ilac Boeder from The Leadership Center in Aurora. Her powerful presentation kept members active and engaged. Other session presenters at the conference were Shannon Olberding of Atkinson, who spoke about Body Positivity/Mental and Physical Health, Vanessa Parra who shared her message on Abusive Relationships. Members of the Overall SPOT Council Leonardo Luna Duran, Troia Drey and Annie Corkle led a session, as well.

This year's Small Changes, Big Impact Conference Outreach Project asked chapters to donate items to benefit the S.A.F.E. Center and Compass in Kearney. Chapters brought 637 items that were presented to representatives from each of those agencies during the closing session.

Attending from Overton were Community Leader Team Secretary Alexz Rodriguez, juniors Jada Araujo and Jorja Raastad, 8th graders Jaelynn Roberts, Elle McCarter, Brooklyn McCarter, Chloe Svarvari, Jessie Altwine, 7th grader Riley Brennan and sponsors Mrs. Angie Ehlers and Miss Emma Krysl.

FCS CLASS NEWS

PI DAY

Foods and Nutrition celebrated 3.14 or Pi Day by baking several different kinds of yummy pies and sharing with the teachers. They are becoming quite the bakers!

SEW CUTE!

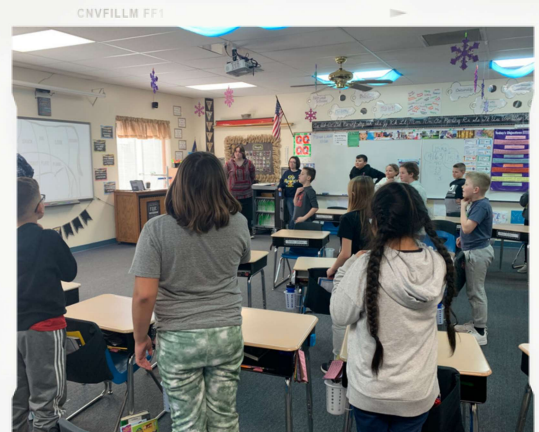

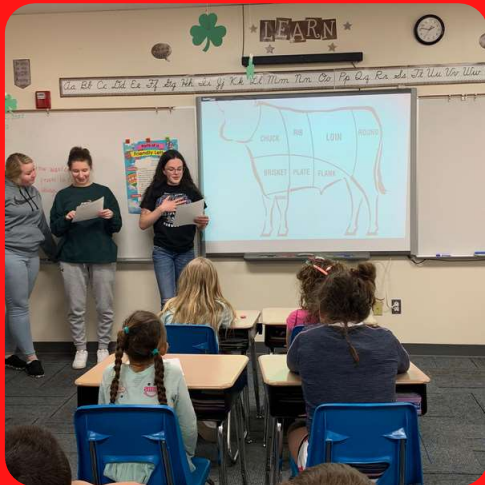

8th period Textile Design Class is working on making their own homemade sock monkeys. Hopefully by the next newsletter we will be able to share pictures of the finished product.

Farm to School Beef Lesson

Members of FFA and FCCLA ventured into the elementary classrooms this month to teach the students about beef. Each class learned about the different cuts of beef and where they come from on the beef animal. They finished up the lesson with a fun game of Simon Says to review each cut of beef. Thanks to Mrs. Loudon for a fun lesson!

Then each elementary student was able to sample a piece of roast beef cooked by Mrs. Ehlers. Everyone really enjoyed the sample and learning more about Nebraska's #1 agricultural product.

Farm to School News

Overton Public School's Farm to School Team has been selected as one of two teams from Nebraska to attend the Vermont FEED's Farm to School Institute Adaptation Program this summer.

READING BUDDIES

Kindergarten & 5th grade reading students started reading buddies in January. They meet twice a month and read books together. Both Miss Paitz and Mrs. Stelling enjoy watching the faces of their students as they read and enjoy books together. This is a great opportunity to foster the love of reading for both groups of students.

When: May 31-June 3 8:00-10:00 a.m. Tuesday and Wednesday will be football for boys and volleyball for girls. Thursday and Friday will be basketball for both boys and girls.

Who: Both boys and girls entering grades 3-9 are invited to sign up for the Future Skills Camp.

Cost: \$40 per camper. This fee includes instruction and a t-shirt. If students want to sign up for one, volleyball, football or basketball the cost will be \$30.

What to Bring: Each camper is responsible for providing their own workout gear.

Skills: We will focus on a variety of sport specific skills. Our goal is to teach the youth of Overton the fundamentals to become great football, basketball and volleyball players.

Forms must be turned in by May 6. If you are not registered by the deadline a t-shirt will not be guaranteed. Feel free to make copies for friends or relatives who might also want to come. Who to contact: Hayley Ryan Phone: 987-2424 Email: hayley.ryan@overtoneagles.org

5 NEW RITUALS FOR A POSITIVE MORNING ROUTINE

EVERY MORNING IS YOUR OPPORTUNITY TO WIRE YOUR CHILD'S BRAIN FOR GRATITUDE, OPTIMISM, AND SELF-LOVE.

1 EVERYONE ANSWERS A GOOD MORNING QUESTION:

- ✦ "What are you most excited about today?"
- ✦ "What is one goal you have for today?"
- ✦ "How do you want to feel today?"

2 EVERYONE TALKS ABOUT THEIR ROSE-THORN-BUD:

- ✦ **Rose:** something that is going well for you.
- ✦ **Thorn:** something that isn't going well or is worrying you.
- ✦ **Bud:** something you feel grateful for.

3 EVERYONE DESCRIBES HOW THEY'RE FEELING:

- ✦ "Right now I'm feeling...Today I want to feel..."
(use a feeling word, type of weather, or color)

4 EVERYONE SAYS AN AFFIRMATION FOR SELF-LOVE:

Hand on heart & repeat an affirmation together:

- ✦ It's ok to make mistakes.
- ✦ I feel kindness towards myself.
- ✦ I love and accept myself just as I am.

5 EVERYONE GIVES THANKS OR COMPLIMENTS ANOTHER FAMILY MEMBER:

- ✦ "I want to thank Dad for helping me out last night."
- ✦ "Thank you for pouring juice for your sister."
- ✦ "I want to compliment you on your great idea yesterday."

USE YOUR MORNINGS TO HELP YOUR CHILD DEVELOP THE MINDSET OF GRATITUDE, SELF-LOVE, AND GROWTH.

What is Early Intervention?

The term “early intervention” is important because research shows that the first three years are the most important time for learning in a child's life. Providing developmental supports and services early improves a child's ability to develop and learn. Also, it may prevent or decrease the need for special help later. The goal of early intervention in Nebraska is to “open a window of opportunity” for families to help their children with special needs develop to their full potential.

The Early Development Network-Babies Can't Wait can help you and your family support and promote your child's development, within your family activities and community life. Nebraska's Early Development Network supports children birth through three years of age who have special developmental needs. The Nebraska Early Development Network program “connects” families with early intervention services, such as occupational, speech or physical therapy, to help infants and toddlers grow and develop and help their families in this process. It is a voluntary program and does not discriminate based on race, culture, religion, income level, or disability.

Supports may include, but is not limited to:

- Services Coordination
- Early Childhood Special Education
- Parent to parent support
- Respite Care
- Transportation
- Speech/Language Therapy
- Physical Therapy
- Occupational Therapy
- Psychological Services
- Vision Services
- Audiology
- Assistive technology devices and services

Other services may be provided based on the needs and eligibility of the child and family.

If you or someone you know has questions or concerns about a child's development, please call [Nebraska ChildFind](https://www.nebraska.gov/childfind) at 1-888-806-6287 (toll-free) OR our local EDN office at ESU 10: 308-237-2280/ lflood@esu10.org
