Greetings from the Principal's Office

It has been a great start to the new school year. Students remember to keep working hard to achieve great success. Success doesn't fall into your lap; you have to earn it through hard work. Remember that one way to earn success is to complete your homework on time. Thank you everyone for doing your part to continue down your path to success.

Live Streaming Events: We are continuing to use Hudl TV to stream our events for the 2024-2025 school year. Live events may be watched on our Hudl TV Channel (<https://fan.hudl.com/usa/ne/overton/organization/119/overton-public-high-school>) or our Overton Eagles Fan page for up to date events and highlights from past games.

Attendance & Punctuality: Good attendance is one of the most important factors in a student's success in school. Students easily fall behind when they are repeatedly absent from school. Taking care of your health by getting a good night sleep, eating properly, and maintaining good hygiene is a great way to help improve attendance. As important as a student's attendance in school is their punctuality to school. Being on time indicates a level of respect for the event you are attending. This could be an appointment or simply being on time to school. The school day begins at 8:05. Thank you for making every effort to be on time to school. Punctuality is a life skill that is becoming lost in society. Let's break this cycle!

Educationally yours,

Mr. Brian Fleischman, Principal/AD

Mrs. Renderos

Hello,

My name is Gabrielle Renderos and I will be teaching 7-12 Special Education this year. This will be my 6th year teaching special education. I will also be helping with the volleyball team this fall.

I live in Overton with my husband and son. We will be welcoming our second son this November.

I look forward to meeting all of the staff and students of Overton Public Schools!

Ms. Fruhling

My name is Mary Fruhling. I have happily returned to Overton. I started my teaching career in Overton 34 years ago. I taught in Overton for 12 years, was a counselor at Kearney Public Schools for 21 years, retired, spent a year as an advisor at UNK, and now I am back. I have two grown sons and anxiously awaiting grandkids. I enjoy the outdoors, sports, and my side business of estates sales. The transition has been relatively smooth and it has been fun to reconnect with Overton. I have lost count on the connections I have with this current group of students and staff. Thank you for the opportunity to revisit a place I remember fondly. I will be teaching third grade.

FFA Update - September Edition

Welcome to another year of FFA! So far, we held our annual kickoff meeting on August 13th and played cornhole as part of it. We had a great time just hanging out and having fun.

We also attended Husker Harvest Days on September 11th. Several members listened to Gov. Jim Pillen speak on his upcoming goals for the new legislative session. We also love getting free stuff!

Up next we have Range Judging in Red Cloud on Sept. 21st. We will begin Livestock Judging practice soon, our contest is November 13th. And, we have a chapter meeting September 30th!

APPLES

Our Nebraska Harvest of the Month item is apples! Apples in Nebraska are harvested from August to November, and if properly refrigerated, they can store for as long as 4 months! Some varieties are a hit when crunched into raw and others best baked with spices. Try adding thinly sliced apples to a sandwich, or add diced apples to a fresh salad.

SELECTION, STORAGE & COOKING

- Stored properly, apples can last for months. Keep at about 32 degrees, 90% humidity, and in the dark.
- Apples release a natural gas called ethylene that triggers other fruits like bananas, avocados and peaches to ripen. To prevent rapid ripening, apples are best stored separately from other fruit.

NUTRITIONAL TIP

Apples are a great source of fiber, vitamin C and potassium. Most antioxidants and fiber are found in the skin of an apple.

SEASONAL AVAILABILITY

FRESH APPLE SALSA

Ingredients:

- 2 cups diced apples
- 1/2 cup diced red bell pepper
- 1/3 cup fresh lime juice
- 1/4 cup diced red onion
- 1/4 cup minced fresh cilantro
- 1 TBL honey
- 1/4 tsp salt
- 1/4 tsp freshly ground black pepper
- 1 jalapeño pepper, seeded and minced

Directions:

Combine all ingredients in a bowl, and let stand for at least 30 minutes. Use this as a condiment on your favorite taco recipe, or serve alongside pork, chicken or rice dishes.

FUN WITH APPLES

CONDUCT AN AT HOME APPLE TASTE TEST!

Grab two or more different types of apples and conduct an at home taste test!

1. Talk as a group about what senses you will use during this taste test (smell, sight, feeling, taste) and come up with a list of descriptors or adjectives to potentially describe the apples. An example list could be:

TART	LIGHT	SWEET	GRAINY
CRUNCHY	FRAGRANT	JUICY	DRY
ACIDIC	DELICATE	THICK-SKINNED	YELLOW

2. Cut apples into slices and put one variety per plate. Write the variety of apple on a piece of tape or paper and keep with the plate.
3. Have everyone in your group sample a slice and share what tastes, smells, sights, and feelings they are experiencing. Have a note taker write down everyone's responses on a sheet of paper.
4. Repeat for as many varieties as you have.
5. After you've tasted all varieties, go back and vote on your favorite.

DISCONNECT TO CONNECT

Smartphones and tablets are an inescapable reality of today's world – we love and need them. They give us the power to connect with family, friends, and our work.

HOWEVER, when it comes to our children – from birth through to third grade – these devices can become a barrier to direct interaction. It is time to **DISCONNECT TO CONNECT**.

It's simple...

Young children only learn language through **interacting with parents and loved ones who talk, read, and sing to them.**

Reading aloud introduces new words, grammar and concepts that may not be used in regular talking. An average children's book may have around 500 words – **these add up fast!**

There is no substitute for **YOU**. You are your child's first and most important teacher.

There is no such thing as 'too old' for reading aloud. **Don't stop when they start school.** Even independent readers benefit greatly from reading aloud with a loved one.

For your child's sake, make device-free time for your family and be sure to read aloud for at least 15 minutes every day.

Read Aloud
15 MINUTES
Every child. Every parent. Every day.

DESCONECTAR PARA CONECTAR

Los celulares y las tabletas son una realidad inevitable del mundo de hoy - los amamos y los necesitamos. Nos dan la capacidad de conectarnos con la familia, los amigos y nuestro trabajo.

SIN EMBARGO, cuando se trata de nuestros hijos - desde que nacen hasta el tercer grado - estos aparatos electrónicos se pueden convertir en un obstáculo para la interacción directa. Es hora de **DESCONECTAR PARA CONECTAR**.

Es simple...

Los niños pequeños sólo aprenden el lenguaje **interactuando con los padres y sus seres queridos que les hablan, leen y cantan.**

Leer en voz alta a su hijo introduce nuevas palabras, gramática y conceptos que no se utilizan en las conversaciones diarias. Un libro para niños, en promedio, puede tener alrededor de 500 palabras - **estas palabras sumen!**

No hay sustituto para **USTED**. Usted es el primer y más importante maestro de su hijo.

No hay tal cosa como de estar muy avanzado ó muy grande para leer en voz alta con ellos. **No pare de leerles cuando comiencen la escuela.** Incluso, los lectores independientes se benefician enormemente de la lectura en voz alta con gente que quieren.

Por el bien de su hijo, haga tiempo para su familia que sea libre de los aparatos electrónicos y asegúrese de leerle en voz alta al menos 15 minutos todos los días.

Lea en Voz Alta
15 MINUTOS
Cada niño. Cada padre. Cada día.
