

Staff In-service
March 13, 2025

7:50 – 8:30 Thanks to Terah and the folks in the kitchen for supplying the refreshments.

You will notice we are beginning the in-service thirty minutes later than usual. Couple of reasons for the experiment. The first is parent teacher conferences are scheduled to conclude at 7:00 p.m. the night before. This gives you a chance to get back into your classrooms first thing in the morning to get organized and caught up. If you are like me after parent teacher conferences, you just drop everything in your classroom and go home. The second reason we are trying a different schedule is to allow teachers more time early to better prepare for the day. You are still required to be at school no later than 8:00 a.m. There will be refreshments available from 7:50 to 8:30 a.m. If this time change is not successful, we can always move back to the 8:00 a.m. start.
